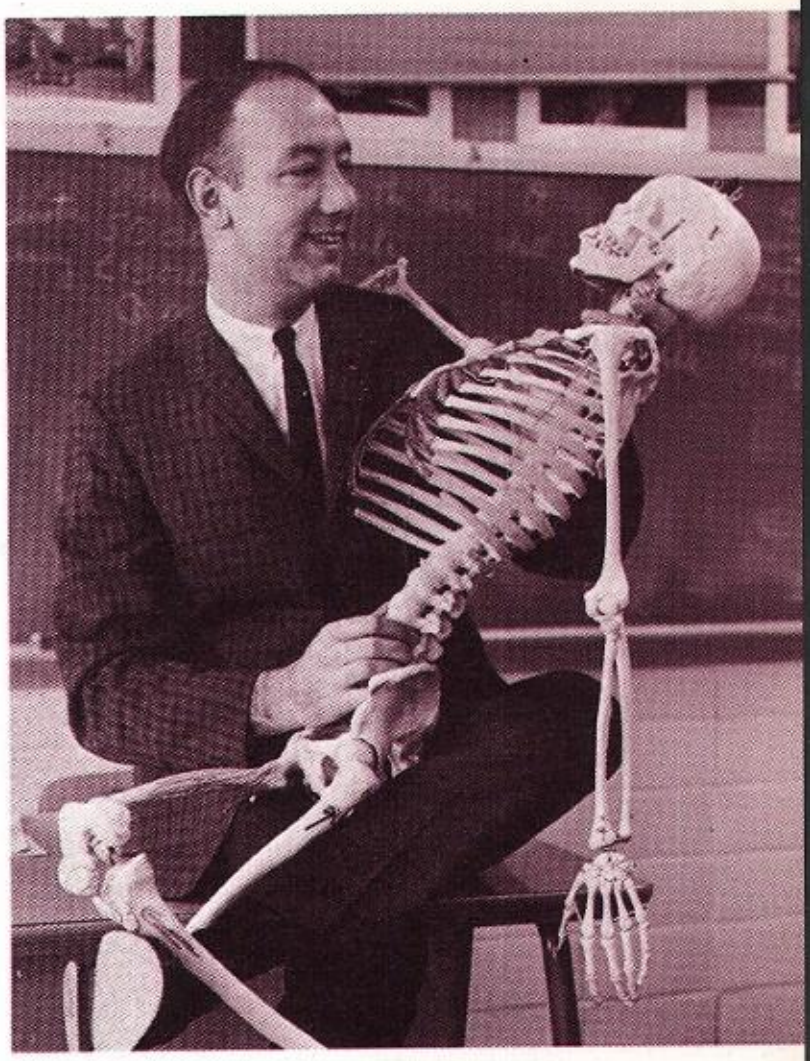
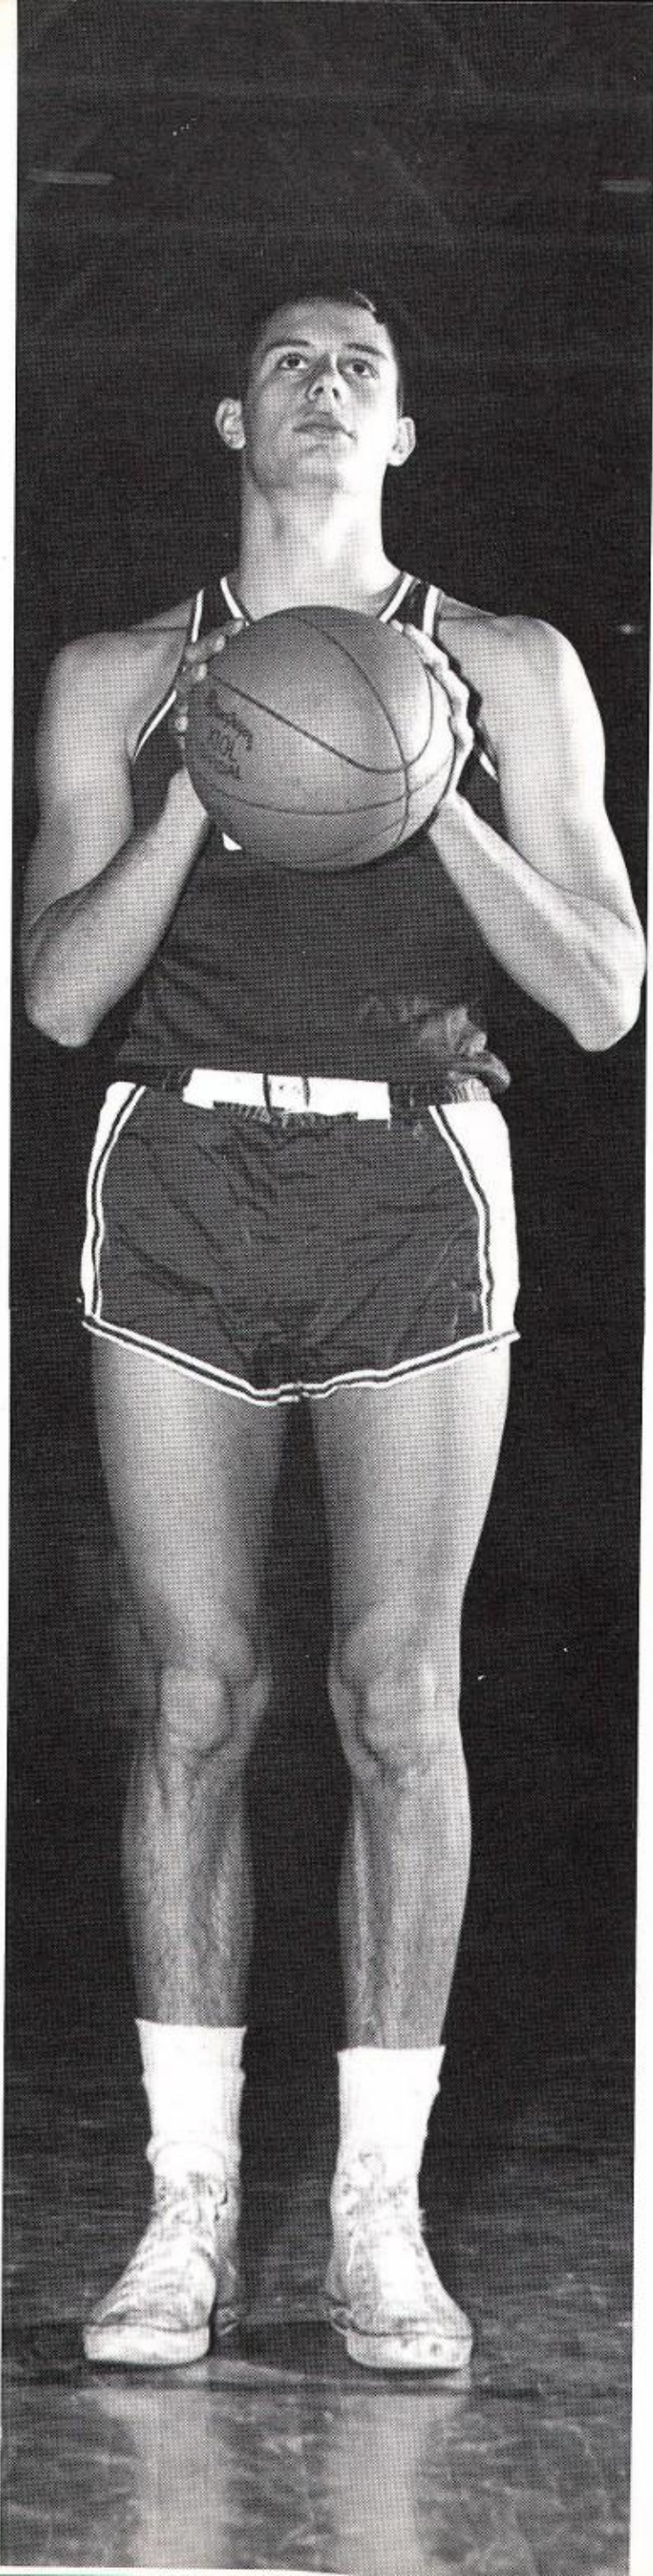
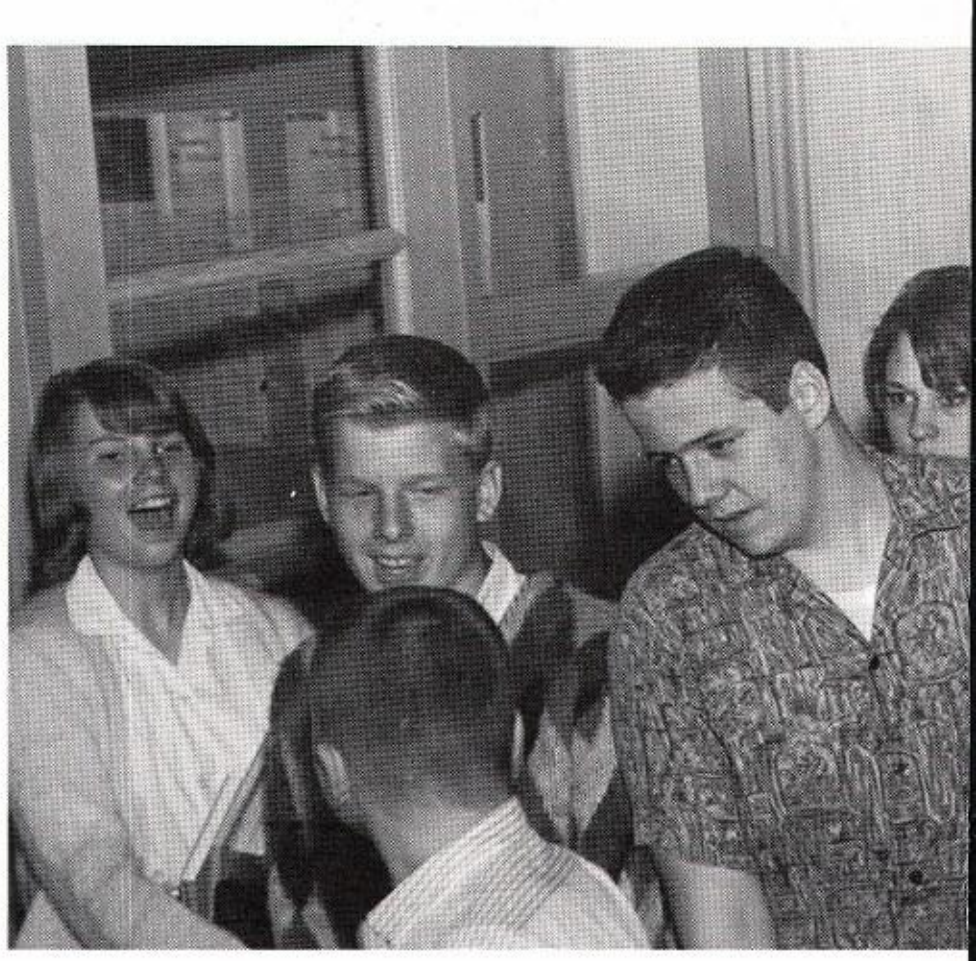
on a certain glow through participation in club activities and through the warm friendliness of student life.

Our distinct personal qualities are polished by the efforts of the faculty and are given an inevitable gleam through royalty.







The windows of our minds become perfected by knowledge gained in classes and are shined by the inner-pride reflected in us through teamwork in competitive sports. We must be careful to see that the ideals learned here are not shattered. May the Windows on the World of Rogers always remain clear and bright.

Our three short years at RHS have come to a close. We entered Rogers as Sophomores, eager and anxious to live the life of a Rogerite. By the time we got into the swing of things we were Juniors, with the Prom looming before us. As we recovered from that most memorable occasion, we turned our sights to the rapidly approaching SENIOR YEAR.

It is ended now. We look back and remember events of the years at Rogers. To every one of us the memories mean something different; they are ingrained into our minds. As we go out to meet the world, we will be proud to take with us a part of Rogers.

Under the Ohio State law, every child must attend school until the age of sixteen. It is the duty of the Board of Education to fulfill this law and provide a sound system of teaching and adequate facilities for both students and teachers.

Although Rogers was annexed to the City of Toledo, December 28, 1964, the Adams Township Public School District remains under the jurisdiction of the Adams School Board. Some of the duties of the Board of Education are adjusting of the teacher's salaries and the hiring of new teachers.

Signing absence excuses, and late slips are just a few of the many duties of RHS dean of boys and assistant principal, **MR. MYRON CARMAN.**

Instructing giris on health room procedure, giving personal counseling, and keeping attendance records are some tasks occupying the Dean of Girls, **MRS. RUTH CARMAN.**

Mrs. Theodora Hazel

Mrs. Joan Smalley

Mrs. Lola Thomas

Mrs. Thelma Barnes

Familiar to everyone at Rogers are the two office secretaries **MRS. THELMA BARNES** and **MRS. LOLA THOMAS.** They are always busy assisting bewildered Rogerites, counting money, typing letters for Mr. Robert Schultz, answering the phone, sorting the mail, and doing many other jobs that help keep the school ticking. **MRS. JOAN SMALLEY** carries the secretarial load for the guidance department. "A secretary's work is just never done!"

He may not be a "Fred Astaire", but **MR. WILBUR FLAUGHER** still likes to dance. If he's not trying out new steps on the dance floor, the Industrial Arts teacher may be found fishing. Mr. Flaugher is a graduate of Bowling Green State University where he attained his B.S.

If **MRS. MARY MAC FRANKLIN** has any leisure time you may find her making hooked rugs, playing bridge, or reading. The RHS librarian attended the Universities of Tennessee and Columbia where she received a B.S.Ed. and a M.L.S.

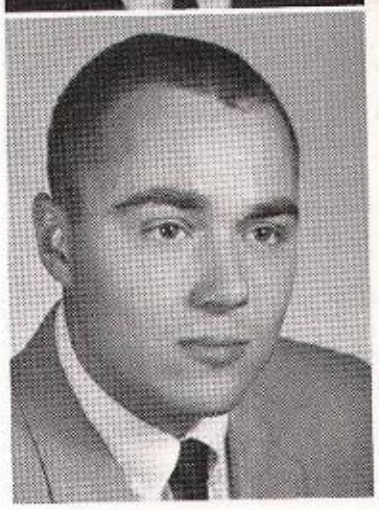
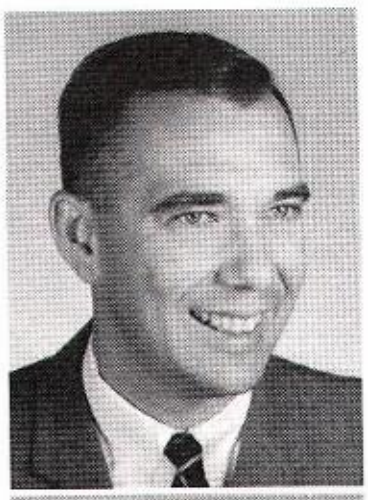
A natural sportsman, **MR. KENNETH GREENE,** finds pleasure in skiing, tennis, and swimming. The new RHS Biology teacher earned his B.S. degree from Miami University.





After teaching Geometry, sports-watching, or reading, **MR. FRANK GWOZDZ** finds time for travel. He lived in California and also in Europe for three years while working as a linguist. The colleges that take credit for his education are Toledo University, University of Maryland, and Presidio of Monterey where he received his M.Ed., B.A., and his Certificate of Languages.

"Man is just a machine." Seeing **MR. GEORGE HARRUFF** working in the machine shop one may believe this is true. Receiving his B.S.Ed. degree at Bowling Green State University, Mr. Harruff enjoys woodworking, farming, and Ham Radio.

Active in RHS affairs is **MR. DALE HEPLER,** senior adviser and Government teacher. Mr. Hepler has attended Ohio and Toledo Universities and has a M.Ed. You can find **MR. RAY LUSHER** in the shop area either printing the RAMPAGE or bids to some formal affair or supervising audio-visual education. Mr. Lusher is a graduate of Bowling Green State University.

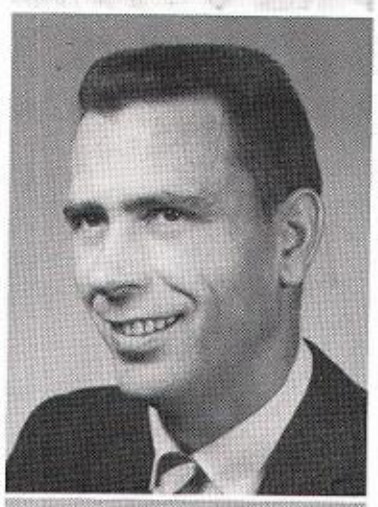
Fashion shows and sketching rate high for **MISS HELENA MADRZYKOWSKI,** English teacher. Miss Madrzykowski obtained her B.A. and B.S. in Ed. degree at Mary Manse College.

good teachers =

From sports cars, to the arts, to travel, go the varied interests of **MISS SUSAN MASZTAK.** If the English teacher can find any spare time she enjoys collecting poetry. Miss Masztak attended the University of Toledo and Mary Manse College where she received her A.B. degree.



Even after a day of typing **MR. CLIFF NELSON** enjoys working with his model building. A sportsman, he also enjoys boating and fishing. Mr. Nelson attended Bowling Green State University where he received his M.E. degree in School Administration.

ROBERT O'CONNELL,** also American History teacher, has studied at John Carroll University and the University of Toledo. He holds the B.B.A. and M.Ed degrees. Mr. O'Connell likes good music, travel, and all sports.

"Mr. Music Man" of RHS is newcomer, **MR. HARRY PARRACK.** He has showed his capability as band director with this year's fine marching band. Mr. Parrack attended Fairmont State College where he received his A.B.Ed.

One of the busiest people at RHS is **MISS GAIL PEERY,** Journalism and English teacher. Besides coaching the Debate Team, advising the RAMPAGE, and ROGERIAN, she finds rallying and racing sports cars equally as thrilling and hair-raising. Miss Peery attended Kent State University, the University of Toledo, and Bowling Green State University.

successful students

"Today's dynamic speaker will be . . ." This is the remark heard in **MR. ROGER PHILLIPS** public speaking classes. When Mr. Phillips isn't directing a play, advising Thespians, or instructing dramatics and English classes, you might find him propped in front of the television watching Mickey Mouse with his two sons. He attended Bowling Green State University and the University of Michigan where he obtained his B.S. in Ed. degree.

As would be expected, the activities of **MRS. PATRICIA PICKETT,** RHS physical education teacher, deal with sports. She especially likes to ski and fish. Mrs. Pickett finds knitting, a slower-pace hobby, more suitable for nights after she advises GAA. Mrs. Pickett attended Toledo University where she received her B.Ed. degree.

Teaching American and World History occupies most of **MISS DALENE POND'S** hours. She is a graduate of Ohio Northern University where she earned her B.Ed. degree.

If **MR. ROBERT RITTICHIER** isn't on the football field coaching the Varsity Team you will find him teaching American Government in Room 203. Mr. Rittichier received his B.Ed. and M.Ed. from Miami University and University of Toledo. When he has time, he finds pleasure in fishing and reading.

On late summer afternoons you may see **MR. DONALD RUCK** gazing out of Room 118's windows. He is probably thinking about that fish that got away. Besides fishing the Science teacher occupies his summers with construction work. He graduated from Ohio Northern University with a B.S. in Ed.

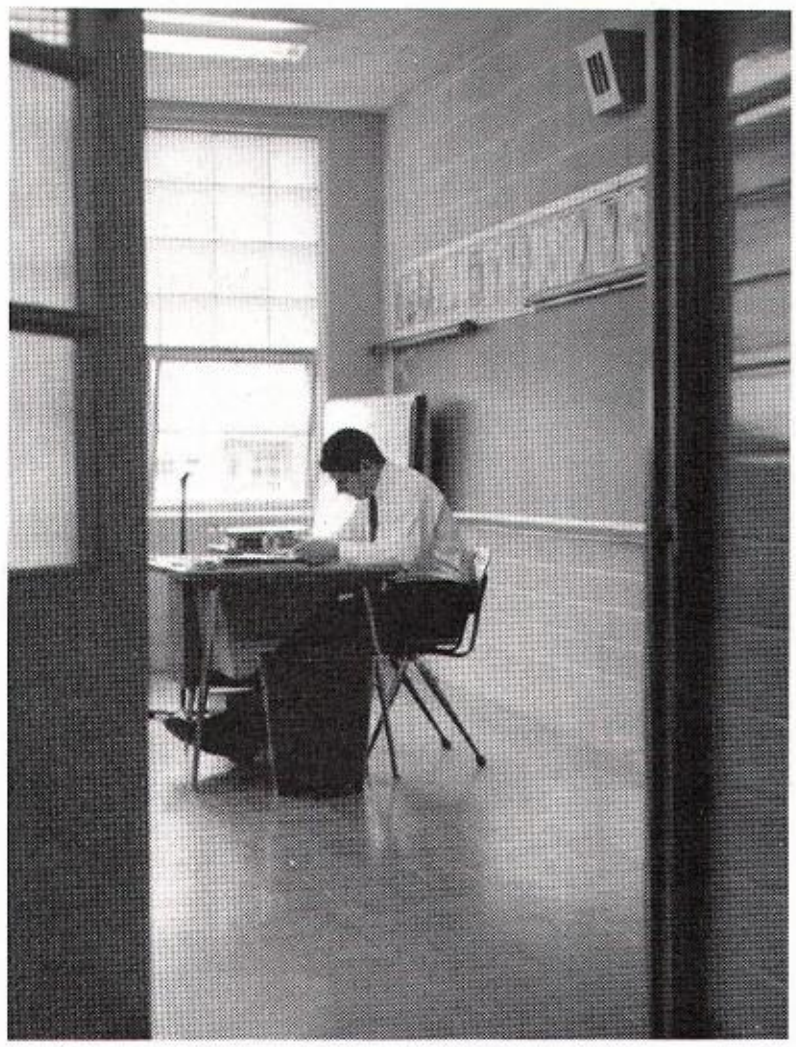
Green thumb? Well maybe not, but **MRS. MARION SCHNELL** still finds gardening a great pastime during the summer days. Besides teaching plane geometry and advanced algebra, Mrs. Schnell is adviser to the newly formed Math Club. She attained her B.Ed. and M.Ed. degrees from Eastern Michigan, Bowling Green, Adrian College, and the University of Toledo.

You might describe **MRS. ELISABETH SCHROEDER** as being the only female teacher at Rogers not afraid to pick up a worm! The biology teacher attended Defiance College, Kent State, and the University of Toledo where she attained her B.S. in Ed. degree.

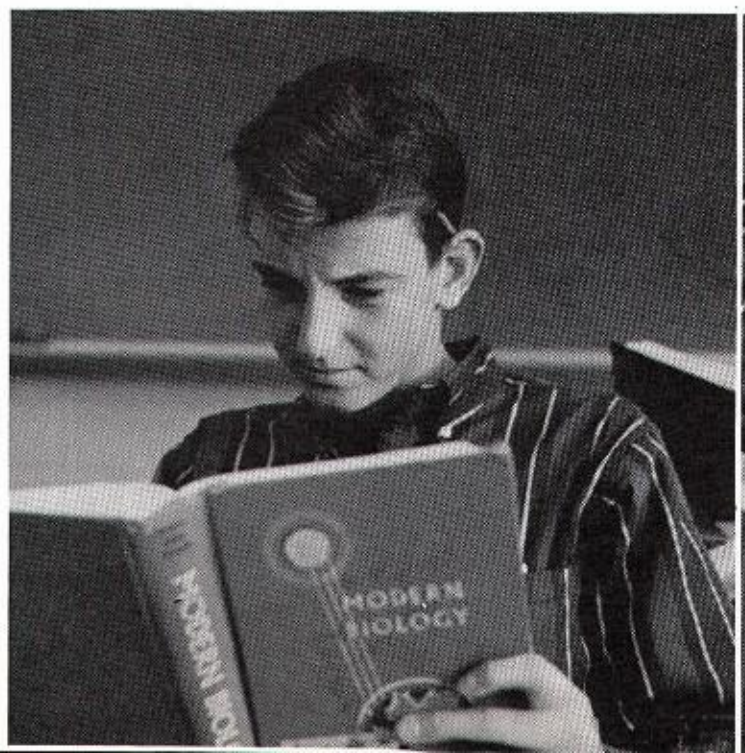
When she isn't teaching English, **MRS. ELAINE SHAW** may be found spending the summer months at the lake. The assistant librarian earned her B.S. and B.A. degrees from Bowling Green State University and the University of Toledo.

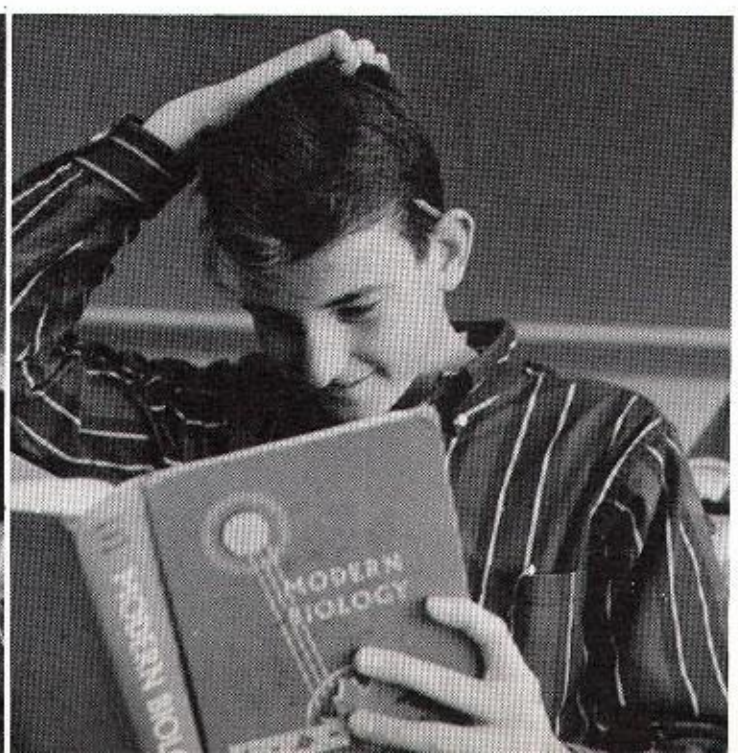
Best wishes.
Elaine R. Shaw

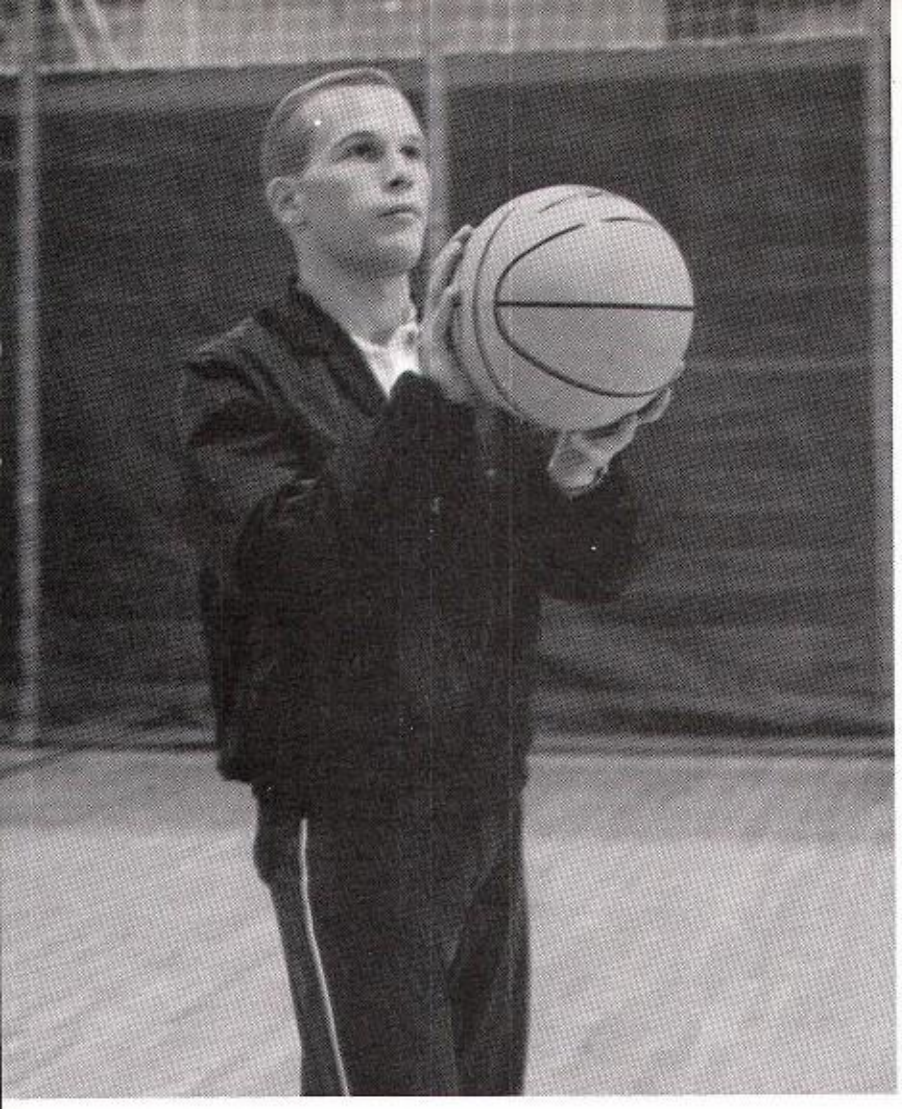
Outside of teaching French and Latin, **MISS WILMA SHULTZ** finds reading, travel, and people interesting and intriguing. Her M.A. degree is from Syracuse University and her B.A. degree from the University of Toledo.



interests vary







among faculty

You can still see the sparkle of the Marine Corps in the eyes of RHS English teacher **MISS JOSEPHINE SPARKS.** Although planning work for those ever-impatient seniors takes a good deal of her time, Miss Sparks enjoys photography, reading, and travel. She attended Ohio State and Columbia Universities where she received B.S. and M.A. degrees.

You may find **MR. RAYMOND STEELY** sitting in an open boat fishing. If the fish aren't biting he may be reading one of his favorite books. The RHS physical education teacher also enjoys all sports, especially wrestling. He attended Bowling Green State University where he obtained a B.S. in Ed. degree.

Business teacher at RHS, **MISS PATRICIA TODD,** finds skiing, bowling, and bridge the best ways to enjoy herself. Miss Todd is a graduate of Toledo University where she acquired her B.E. and M.Ed. degrees.

Music, golf, and people rate high among the interests of **MRS. VIRGINIA VALO,** home economics teacher. Mrs. Valo attended the Universities of Valparaiso, Toledo, and Purdue where she earned her B.S.H.E. degree.

"Vini—Vini—Vini" This remark may be heard often in **MRS. MILDRED VAN FLEET'S** Latin classes. She received her A.B. degree from the college of Wooster, William and Mary, Tufts University, The University of Toledo, and Bowling Green State University. Mrs. Van Fleet finds her grandchildren her most important interest.

Best wishes.
M.V.F.

FOOTBALL HONORS

Rogers gridders reaped numerous football honors this year. On the All-G.L.L. first team were Gary Price, Doug Ottesen, Jerry Ehrsam, Larry Olszewski, Jerry LaGro, and Paul Schmidlin. On the second team were Paul Yenrick, Don DeSalle, Greg Bates, and Mike McDermott.

Jerry Ehrsam was named to the All-Ohio first team as a defensive back. He was the first football player ever to represent Rogers on the All-State first team. Another Ram who was honored by an All-Ohio team position was Larry Olszewski, who was chosen as a third string lineman. Olszewski was also chosen to represent Rogers in the annual state All-Star football game the following August.

Following the Rogers-Whitmer game, radio station WOHO chose Rogers' Doug Ottesen as Player of the Week.

At the Annual Football Banquet co-captain Jerry Ehrsam was chosen Most Valuable Player of Rogers' '64 season. Larry Olszewski, guard, was selected Most Improved Lineman. Recipient of the Principal's Trophy for athletic and scholastic ability was co-captain Jerry LaGro.

The 1964 season was a rough one for our reserve gridiron team. The team was plagued with injuries the entire season. For the second straight year the reserve team lost its championship bid with Clay, the last game of the year. The team's fine quarterback, Rick Gockerman, was lost the second game of the year with a broken collarbone. Bob Schmidlin, first team fullback and defensive standout, was lost the following week with another broken collarbone. Yet the team never lost their poise and desire to win even with these costly injuries. The team tried even harder to become better football players and produce a winning season.

The over-all record of this year's reserve team was 4 wins, 3 losses, and 1 tie, which captured 2nd place in the G.L.L.

The coaches picked Dan Roll as the most valuable line man, Chuck Estes as the most valuable back, and Jim Zachman as the most improved player.

The Rogers Ram's basketball season took many unusual turns. The Rams posted a fine 14—4 overall record, yet finished third in the Great Lakes League as all losses came in league play. In outside encounters the Rams dealt defeats to St. Francis, Libby, and Macomber, the top three teams of the City League.

Steve Mix, followed by Rich McCray, paced the Rams scoring attack. Valuable contributions were also made by seniors Dave Boston, Wes Harper, Jerry Ehrsam, and Doug Ottesen, while sophomore Gary Stewart came through with several fine performances.

Rich McCray also placed on the all GLL squad with an honorable mention.

The 1964-65 wrestling team, under the guidance of Mr. Ray Steely, turned in an outstanding 8—4 performance during the regular season competition.

Placing first in the wrestling tournament were Tom Kingsley, Ray Feeney, and Gary Heckman, who was also named the outstanding matman of the tournament. Placing second were Rich Robinson, Jerry Collier, Gary Catron, Mike Caywood, and Dan Roll. Placing fourth was John Harder.

Despite the fact that the 64-65 wrestling team was largely composed of sophomores and juniors, the team went on to capture the GLL title for the seventh straight year.

Tom Luettke set several records while participating in the shot put event. His best hurl, 54'8" was a record for Tom, Rogers, and the GLL. Other records broken or tied during the 1963 track season included Mac Nunn in the 100-yd.-dash, in 10.1; Jim Geisert in the 880, 2:05; and John Williams, high jump, 5'10".

Other outstanding track men included graduate Larry Houston and returning letterman Jim Wellman, Jerry Ersham, Gary Price, and Don DeSalle.

The 1964 boy's team consisted of **ROW 1:** Ken Swartz, Mike Kotz, Fritz Bruggemeier, Ed Thompson. **ROW 2:** Dave Emerson, Chris Moor, Dave Hart, Steve Jonasen, and Jeff Kozy.

The spring tennis squad of '65 has a position to maintain. They must meet or beat last season's record of 14 wins and 2 losses and the capture of the GLL crown. Returning letterman Ken Swartz, Dave Hart, Fritz Bruggemeier, and Steve Jonasen show that this year's team has promise.

The girls tennis team hosted a doubles tournament last spring and hope to make it an annual affair. This year the girls competed in an inter-scholastic league with sophomore Betty Bracken holding down the top slot.

Dear Anne:

Thank you so much for the photographs of the attractive young people competing in your school beauty contest for ROGERIAN King and Queen.

It was a most difficult decision to reach, since each contestant had their own particular qualities of appeal. However, "The Fugitive" rose to the occasion, and the appropriate photographs have been marked accordingly.

My congratulations to the winners, as well as to all who participated.

My thanks, again, for asking me to play a part in your school activities. Needless to say, I would appreciate receiving a copy of your Yearbook when it is published.

Cordially,

L·O·F GLASS

THE QUALITY MARK TO LOOK FOR

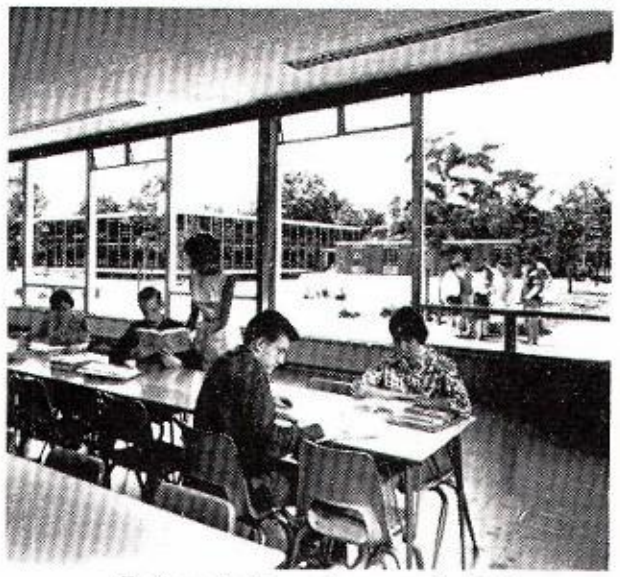
What a wonderful Open World

Have you noticed schools like this on your travels? Probably, because new buildings are springing up everywhere. They are beautiful and functional structures with large glass areas to create an "open-world" atmosphere to eliminate the feeling of being boxed in.

Wherever you live, work, shop or travel, you'll find L·O·F Glass making it more enjoyable. In homes, motels, schools and stores. In offices and factories. In hospitals and churches. In cars, buses, trains and planes.

There's an L·O·F Glass that insulates windows. It's called *Thermopane*® insulating glass. Another subdues sun heat and glare. L·O·F Glass that makes automobiles safer. L·O·F Glass to do a thousand things.

And when anyone needs glass, there's an authority on it nearby—your local independent L·O·F Glass Distributor or Dealer. His name is in the telephone book Yellow Pages under "Glass". Call him.



Laboratories, shops and studyrooms are separated from twin classroom buildings by a broad, central court, Ithaca Senior High School, Ithaca, N.Y. Architects: Perkins & Will, White Plains, N.Y.

. . . the end . . .

Judy,

Last year we knew each other very lightly. This year it started off in "Blithe Spirit." We'll never be able to forget that play, with your great sailing ships. Then when Ruth and Elvira went on their rampage it led to bust. But that's what you get for believing in ghosts.

For "Best Foot Forward" you had to get stingy and get a job. [illegible] before the opening Saturday [illegible] or was it belly dance). Our hearts singing; [illegible] Playboy magazine [illegible] your understanding [illegible] reporter her life story [illegible] your lives [illegible] close the show if [illegible] your strong, ... refresh your spirits I doubt the world seem beautiful.

I'll be [illegible] your cause every night [illegible] to the practice room and work [illegible] into letting me [illegible]

I hope [illegible] dinner and mess around [illegible] lessons on the 11th, if I [illegible] and see you.

Well [illegible] for off so good luck at RHS and in all things you do.

Love,

Jerry Vankins

Judy,
I don't know you very well (but that can be changed), but from what I do know of you, you're one of the nicest persons in everyone I've met. The only time I saw you sad was the first hour every day! Good luck in everything you ever do!

Judy,
To a girl who's got it made — 100 % in Geometry. Good grades in Latin (We've had some fun in there haven't we — even if it was awful boring at times. Good luck — don't change. Also don't do anything I wouldn't do. OK?
